Aims and objectives

What are your aims and objectives in providing the regulated activities and locations shown in part 3 of this statement of purpose

We are a GP partnership providing Primary Care Services for the diagnosis and prevention of disease in the Brimington and Staveley areas of Chesterfield.

AIMS AND OBJECTIVES

- 1.To provide the best possible quality of service to our patients within a caring, confidential and safe environment.
- 2.To treat all our patients with dignity and respect at all times.
- 3.To provide equal access to health services for all our patients.
- 4.To involve our patients in decisions regarding their treatment and provide choices of services and treatment where possible.
- 5.To be a learning organisation that continually seeks to improve what we have to offer our patients.
- 6.To promote good health for our patients through education and information.
- 7.To involve patients in the practice development and services via our PPG and patient surveys.
- 8.To ensure our staff have the right training and skills to carry out their duties and offer them a supportive and protected environment to work in.
- 9.To provide high quality training for our GP registrars and F2 doctors attached to our practice.
